▪ Skype: Nitipan.kaewla

480/204, M2, Samruen Sub district, Bang Pa-In District, Ayutthaya
Thailand 13160

PERSONAL INFORMATION:

Date of birth: 19th June 1981

Age: 37 years

Weight / Height: 68 kg. / 171 cm.

Gender: Male

Religion: Buddhism

Nationality / Race: Thai / Thai

COMPETENCES

- Experiences in geophysical industry
- Experiences in field survey of Ground and DH Resistivity & IP, DHEM, Ground EM, Magnetic, and Seismic methods included data acquisition
- Supervising and conducting field operation

EDUCATION

2005 Bachelor Degree of Engineering in Geotechnology.

Social Experience

2005 **Advanced Topics in Geotechnology I:** Geological Field Work, Geological mapping looking for the Fossil to indicate Stratigraphy and Geologic time scale at Suranaree Sub district, Nakhon Ratchasima province, Thailand .

2004 Saline layer project of the Department of Mineral Resources (DMR) using Reflection Seismic (OYO DAS 1) around Chaturat district Chaipum province, Thailand.

Advanced Topics in Geotechnology I: Geological Field Work, Geological mapping Rock & Mineral, looking for stream sediment to indicate Environment and Boundary at Suranaree Sub district, Nakhon Ratchasima province, Thailand .

Special problem in Geotechnology I: Geological Field Work, Geological mapping looking for stream sediment to indicate Heavy metal in Mul River, Nakhon Ratchasima province, Thailand.
Field Work: Geologic Structure and Mapping. Khao Rouak, Lobburi province, Thailand.

WORK EXPERIENCE

2015 to Present Country Manager (Thailand) at Austhai Geophysical Consultants:

Management oversight for work in Thailand, Myanmar, Cambodia, Philippines and Papua New Guinea

2014 Supervising Geologist at Austhai Geophysical consultant:

- 2D IP Survey for Global PS Mining (U), Uganda (Mar-Jun)
- 3D IP Survey for Core Mining Corporation, Marayag Iron Copper Gold Project. Lupon, Davao Oriental, Philippines. (Aug-Sep)
- Resistivity Survey for SCG Cement, Khammouane, Laos. (Oct)
- 2D & 3D IP Survey for Geopacific Resource NL, Kou Sa, Preah Vihear Province, Cambodia (Nov-Dec)

- 2013** **Supervising Geologist at Austhai Geophysical consultant:**
- 2D & 3D IP Survey for Geopacific Resource NL, Kou Sa, Preah Vihear Province, Cambodia (Oct-Dec)
 - In line 2D IP Survey for Vale S.A., Panay Province, Philippines. (Jul-Aug)
 - In line 2D IP Survey for Gold Ridge Mine Project Solomon Islands (Mar- May)
 - Ground magnetic Survey for Wolf Resource Inc, Cagayan Province, Mindanao Island, Philippines. (Jan-Feb)
- 2012** **Supervising Geologist at Austhai Geophysical consultant:**
- 2D IP Survey and ground magnetic for Royal Co, Solano, Viscaya Province, Luzon Island Philippines. (Nov-Dec)
 - Mapping and visit site for Asia Resources Development, Saigaing Division, Mandalay Province, Myanmar. (Nov)
 - 3D IP Survey for Titan Metal Atui Project, Kimbe Province Papua New Guinea. (Jun-Oct)
 - 3D IP Survey for Filminera Resource Corporation Masbate Gold Project Puro, Aroroy, Masbate Philippines. (Apr)
 - Reflection Seismic Survey for BHP Mining, Zambales Project Zambales Province, Luzon Island, Philippines (Mar)
 - Ground Magnetic Survey for Atro Mining, Vitali Project Zamboanga Philippines (Jan-Feb)
- 2011** **Supervising Geologist at Austhai Geophysical consultant:**
- Ground Magnetic Survey for Atro Mining, Vitali Project Zamboanga Philippines (Nov-Dec)
 - Ground Magnetic Survey and 3D IP for AdanacEX Minerals Resource Inc (Seminco) Basay Copper Project Basay Negros Oriental Philippines (Jul-Oct)
 - Gradient IP and 2D IP Survey for Filminera Resource Corporation Masbate Gold Project Puro, Aroroy, Masbate Philippines (July)
 - 2D IP Survey for Southern Arc Minerals Inc Sabalond KP Sumbawa Project Sumbawa Lombok Province Indonesia (May-Jun)
 - Ground Magnetic Survey for GMT Corp Ltd Amphoe Chondan Phetchabun Province Thailand (Apr)
 - Ground Magnetic Survey and Gravity Survey for Pearl oil energy GMT Corp Ltd Surat Thani Province Thailand (Jan-Feb)
- 2010** **Supervising Geologist at Austhai Geophysical consultant:**
- Ground Magnetic Survey for Asian Arc Minerals Resource Inc (Seminco) Taysan project Batangas City Philippines (Dec)
 - DHEM for Rapu Rapu Minerals Inc Legazpi City Philippines (Jun-July)
 - DHEM and Fixed loop EM for Banphuc Nickel Mines Co., Ltd. Sonla Province Vietnam (Jan-Apr)
- 2009** **Crew Chief Geophysic:**
- 3D IP for Marengo Mining Ltd, Kombruku Project, Madang, Papua New Guinea (Jun-Dec)
 - IP 2D Dipole-Dipole for Xstrata Copper Ltd, Frida river Project, Mount Hagen, Papua New Guinea (Feb-Apr)
- 2008** **Crew Chief Geophysic:**
- EM survey for Morobe Mining Ltd, Kesiago Project, Wafi District, Lae, Papua New Guinea
 - 3D IP for Erawan Mining Ltd, North Ivan hoe Project, Rayong and Chantaburi province. Thailand (Aug)
 - EM survey for Harmony Gold Mining Ltd, Biamera Project, Wafi District, Lae, Papua New Guinea. (Jul)
 - 3D IP for Paron Mining Ltd, Palittapan Project, Rayong and Chantaburi province. Thailand (May-Jun)

Mud logger for International logging S.A.:

- Mud log operation for GFI Oil company at Gulf of Thailand (off shore) and for Pan Orient at Vicheanburi Thailand (on shore) (Feb-Apr)

Geophysics Operator:

- Offset Dipole-Dipole for Phuthep mining (Pan Australia) Thailand. (Jan)

2007

Geophysics Operator:

- 3D IP for Harmony Gold Mining Ltd, Biamena Project, Wafi District, Lae, Papua New Guinea. (2week Dec)
- 3D IP for Harmony Gold Mining Ltd, Biamena Project, Wafi District, Lae Province, Papua New Guinea. (Sep-Dec)
- Offset Dipole- Dipole and 3D IP on Xa Khia, Bach Dan and Mu Me Project, Vietnam Resources Corporation (VRC) Ltd, Quang Binh province, Vietnam. (May-Aug)
- 3D IP for Rox Resources Ltd, Pha Luang Lead-Zinc-Silver Project, Vang Vieng District, Vientiane Province, Laos.(Mar-Apr)

2006

Geophysics Operator:

- Dipole-dipole/Gradient IP at Thai Gold Field Ltd.'s area, Khao Wong project, Rayong and Chantaburi province. (Dec)
- Offset Dipole- Dipole and 3D IP on Xa Khia, Bach Dan and Mu Me Project, Vietnam Resources Corp. (VRC) Ltd, Quang Binh province, Vietnam. (Sep-Oct)
- Dipole-Dipole 2D IP on Phuoc son Gold company Ltd.'s Project, Phuoc son province, Vietnam. (Aug)
- Dipole-Dipole 2D IP at Bong Mieu Gold Mine Ltd.'s Project, Phu Ninh District, Quang Nam Province, Vietnam. (Jul)
- 3D/Gradient IP at Amanta Ltd's area, Langu District, Satun province, Thailand (May-Jun)
- Akara Exploration Ltd using Gradient IP around Pichit, Phitsanulok and Phetchabun province. Thailand. (Jan-Apr)

2005

Geophysics operator:

- Akara Exploration Ltd using 3D IP around Pichit, Phitsanulok and Phetchabun province. Thailand (Nov-Dec)

Geologist for Siamground water Co.,Ltd:

- Resistivity exploration and drilling finding ground water. Thailand. (Sep-Oct)

ACTIVITY

- **Conference**
 - Mining Philippines International Conference and Exhibition 2012 at Manila, Philippines.
 - 25th International Geophysical Conference & Exhibition 2016 at Adelaide, Australia.
 - 3rd Annual Sudan International Mining Forum & Exhibition 2018 at Khartoum, Sudan.
- **Member**
 - Australian Society of Exploration Geophysicists.

SKILLS / TRAINING

- **Languages:** Thai, English, Laos, Vietnamese, and Pidgin (PNG)
- **Certifications:** Driving license
- A group training course in Safe Driving by White Road Ltd at Akara Exploration Ltd.
- First aid training program by Phitsanulok Hospital.
- BOST (Basic Offshore Safety Training), Sea Survival & Boat Transfer, Firefighting and Self Rescue/Basic First Aid, Safety Induction/Helicopter Safety and Escape
- Basic Emergency First Aid training at SOS International Bangkok (April 2015)
